# TOM WINSKE

Tom Winske is in his 20th year as head baseball coach at St. Norbert College. Winske, named Midwest Conference Coach of the Year nine times, has led the Green Knights to some of their brightest moments on the diamond. The team won a school record 30 games in the 2017 season and captured it's third Midwest Conference Championship in the last six years.

Coach Winske is the Green Knights all-time winningest coach (420-272). He is considered one of the top instructors of baseball fundamentals in the Midwest. The trademark of Coach Winske's teams is that they are technically sound in all phases of the game.

# CAMP GOALS

The overall camp goal is for each player to dramatically improve their offensive baseball skills. Proper hitting fundamentals, baserunning, bunting techniques and mental strategies are stressed throughout the 8 week session.

A new feature added to the camp this year will be a mini-tour of St. Norbert College. Coach Winske, along with his current baseball players, will be speaking about the value of education and the college experience. The coaching staff feels that this experience could have a profound impact on each student's life.
